Dear Parents

We are writing to you today to encourage your family's participation in the **Har Ghar Tiranga Programme** as part of the **Azadi Ka Amrit Mahotsav** celebrations. This initiative is a wonderful opportunity to honor our nation and foster a sense of patriotism.

We request you and your ward to participate in two ways:

- **Register and volunteer:** Please click on the link provided to register and become a volunteer for the programme:
<https://harghartiranga.com>
- **Hoist the flag and share:** Hoist the Indian flag at your home or on your terrace. Take a selfie with your family and the flag, then upload it to the same link to receive a certificate of participation.

Your involvement will make this a memorable event for everyone. We look forward to your family's participation

Warm Regards

Principal
