Dear Parents

In Continuation to the drive of local government regarding 'Road Safety and Security', it has been conveyed to the school authority to not to allow any child on self vehicle to enter in the school premises. So, to request you, we are sending a hard copy of letter/certification for your signature with your ward, if he/she is commuting by self conveyance. We appreciate your support to keep our student safe & secure by not using two wheelers.

Warm Regards

Principal
