Circular No.–SIS/2025-26/21

Dear Parents

As per CBSE guidelines, it's mandatory for students to maintain a minimum 75% attendance record. This is crucial for:

- Internal assessments
- Practical exams
- Board Examinations

Therefore, we kindly request you to ensure your that child attends the school regularly to avoid any inconvenience in the near future.

This is a final reminder to emphasize the importance of regular attendance of your ward.

Warm Regards

Principal
